Summary : Free zora neale hurston s final decade pdf download - moylan founding member of the fort pierce fla annual zora festival draws heavily on two texts valerie boyd s biography wrapped in rainbows and carla kaplan s edition of hurston s letters zora neale hurston a life in letters supplemented by a number of interviews with the employers acquaintances and friends of hurston s last decade after a brief biographical sketch of hurston s early years moylan addresses the false child molestation charges that even after they were recanted left hurston s reputation in tatters and her very controversial in moylan s words eccentric objections to brown v board of education and desegregation on the grounds that in her perspective racial uplift would come by individual effort alone hurston s final creative projects-her development of an anthropologically correct black baby doll and planned biography of king herod attest to how the famously idiosyncratic and iconoclastic writer remained deeply unpredictable and fascinating and that her lost years merit a thoughtful and thorough biography
