

Utilisation And Conservation Of Farm Animal Genetic Resources

Author :Kor Oldenbroek / **Category :**Technology & Engineering / **Total Pages :** 232 pages

 [Download Utilisation And Conservation Of Farm Animal Genetic Resources PDF](#)

Summary : Free utilisation and conservation of farm animal genetic resources pdf download - this book is intended to give insight into the issues of genetic diversity in livestock systems the book outlines the applications of population molecular and quantitative genetics that can be used to take appropriate decisions in utilisation and conservation programmes

Pusblisher : Wageningen Academic Pub on 2007-01 / **ISBN :** 9789086860326
