

Surprises In Theoretical Casimir Physics

Author :William M R Simpson / **Category :**Science / **Total Pages :** 177 pages

 [Download Surprises In Theoretical Casimir Physics PDF](#)

Summary : Free surprises in theoretical casimir physics pdf download - despite more than half a century of theoretical work the casimir effect is still not as fully understood as some suppose in this treatise the author uncovers new puzzles and paradoxes concerning this mysterious phenomenon in particular he clearly demonstrates that the most sophisticated theories fail when confronted with dielectrics in which the refractive index is not uniform but gradually changes

Pusblisher : Springer on 2014-11-19 / **ISBN :** 9783319093154
