

PRAISE FOR
COMMON CORE FOR THE NOT-SO-COMMON LEARNER,
GRADES 6-12

"With this book the authors provide just the kind of resource that secondary teachers are yearning for as they navigate implementation of the Common Core State Standards. The emphasis on 'not-so-common' learners validates the unique needs these students bring to our schools and provides teachers with tools for assisting all students in becoming college and career ready. The specific ideas and strategies presented are invaluable!"

—Jana Echevarria
 Professor Emerita
 California State University, Long Beach, CA

"Honigsfeld and Dove artfully interweave a myriad of strategies derived from and related to the Common Core State Standards for English Language Arts... In bridging theory to classroom practice, the authors consider the characteristics of a spectrum of adolescent students who are challenged by the linguistic and conceptual expectations of these rigorous standards in hopes of directing them onto pathways to success."

—Margo Gottlieb
 Director, Assessment & Evaluation
 Illinois Resource Center, and
 Lead Developer, WIDA Consortium

"Educators can turn to this book for theoretically sound and eminently practical information about approaches and strategies to support English Learners' complex language use, critical thinking, and deep engagement with the Common Core."

—Rita MacDonald
 Academic English Language Researcher
 WIDA Consortium

"From the first quote in Chapter 1 to the final word, this book struck a chord. A veritable treasure trove of useful classroom practices and scaffolding techniques are identified and carefully explained... The valuable information in this book provides the suggestions teachers have been seeking to be successful at implementing the Common Core with their diverse, not-so-common, learners."

—Susan Lafund
 National Board Certified Teacher, ESL
 Teacher, Advocate, and Member of the
 Common Core State Standards Initiative
 K-12 Standards Development Team

Common Core For The Not-So-Common Learner Grades 6-12

Author :Andrea Honigsfeld Maria G Dove / **Category**
