Summary : Free shari ah governance in islamic banks pdf download - an in-depth and insightful study of shari ah governance from a theoretical and practical perspective. Topics covered include the theory behind corporate and shari ah governance, the regulatory framework for shari ah governance, shari ah governance approaches, the shari ah board's role and how it retains its independence, transparency and competence, the operational procedures of shari ah governance, the effectiveness of the shari ah board and how it could be improved. Shari ah governance has a profound influence on the day-to-day practice of islamic financial institutions.
