Summary : Free the adventures of waiter lord of the restaurant jungle pdf download - the adventures of waiter lord of the restaurant jungle is a satirical work of non-fiction part expose part autobiography which is salted with social commentary and occasional vitriolic rantings it is an odyssey of growth development adventure and debauchery note from the author what s astounding to me is the utter lack of material either written or filmed depicting the restaurant industry in all its debauchery riddled glory i mean this is an area absolutely rich for fodder which could be appreciated by even the most solitary of hermits who have never worked or eaten in any type of eating establishment whatsoever therefore my aim is to entertain by eliciting unbridled guffaws but also to educate the naive masses about the bizarre world known as the restaurant jungle
