

Scientific Bases For The Preparation Of Heterogeneous Catalysts

Author : E Gaigneaux M Devillers S Hermans P A Jacobs J Martens P Ruiz / **Category :** Science / **Total Pages :** 880 pages

 [Download Scientific Bases For The Preparation Of Heterogeneous Catalysts PDF](#)

Summary : Free scientific bases for the preparation of heterogeneous catalysts pdf download - these meetings held every four years bring together researchers from academia and industry and offer a forum for discussions on the chemistry involved in the preparation of industrial heterogeneous catalysts contributions focus on the aspects of catalyst preparation reports on physico-chemical characteristics of catalysts and catalytic performances are limited to correlations with the preparation parameters contains a collection of the papers presented at the workshop

Publisher : Elsevier on 2010-06-29 / **ISBN :** 0444536027
