

Feminist Re Visions Of The Subject

Author :Gail Currie Celia Rothenberg / **Category :**Social Science / **Total Pages :** 274 pages

 [Download Feminist Re Visions Of The Subject PDF](#)

Summary : Free feminist re visions of the subject pdf download - feminist re visions utilizes the study of space and place which extends through sociology anthropology cultural studies and area studies historical perspectives and philosophy as a paradigm for cross-disciplinary inquiry noting that both the study of space place and feminism are transected by the lines of spacial conceptual and ontological disintegration in contemporary academia gail currie and celia rothenberg have culled a collection of writings drawn together from feminist scholars across several disciplines to address three questions how are subjects constituted in relation to the spaces and places they occupy how are those spaces and places in turn negotiated and transformed and how are feminists actively constructing new visions of the female subject in the context of the postmodern academic terrain this work sets the stage for the development of a productive feminist praxis in an academic world some fear has been relativized and depoliticized by the postmodern turn
