Summary : Free don t make no waves-don t back no losers pdf download - tis is simply the best book that has been written about politics in chicago in the words of andrew m greeley it is a very astute and dispassionate analysis of chicago political life far and away the best i have ever seen rakove is without illusions about either the right or the left rakove brings to his study an intimate knowledge of chicago and the daley machine a practitioner s understanding of street-level politics and a scholar s background in political theory blending anecdote with theory and description in a lively style rakove has bridged the gap between scholar and layman in a work that will appeal to both
