A volume in the Advances in Library and
Information Science (ALIS) Book Series

Summary : Free library reference services and information literacy models for academic institutions pdf download - as classrooms and universities strive to adapt their instructional methods to an ever progressing technological age it is imperative that academic libraries also revisit the ways in which reference and instruction services are organized and implemented library reference services and information literacy models for academic institutions not only advocates for a more intentional integration of reference and instructional services but it also provides organizational background staff objectives and various successes and challenges that have already been experienced by real institutions this publication is an important reference source for librarians practitioners and university leaders who wish to maximize the current utilization of their resources

Pusblisher : IGI Global on 2013-06-30 / **ISBN :**
